

Architectural drawing of the left elevation of a house. The drawing shows a main structure with a gabled roof and a smaller structure to the left. The roof is labeled with a 12/8 pitch. The walls are textured with a brick pattern. The drawing is labeled "LEFT ELEVATION" at the bottom.

PLAN SPECIFICATIONS	
MAIN FLOOR WALLS:	2x4 x 9' 1-1/8"
FOUNDATION WALLS:	POURED CONCRETE
ROOF:	ENGINEERED TRUSS

Use of these plans by the client/customer of Better By Design, LLC indicates that the client/customer understands and agrees to all of, but not limited to, the following terms and conditions of such use. Better By Design, LLC its members, employees and/or agents, actual or apparent, assume no liability for design errors or omissions beyond the amount paid to Better By Design, LLC by the client/customer for the plans provided. Better By Design, LLC members, employees and/or agents, actual or apparent, shall not be liable to the client/customer for any costs, losses, injuries or damages caused to the client/customer by any departure from the plans. Client/customer agrees to indemnify Better By Design, LLC for any claims by any third parties for any costs, losses, injuries or damages caused by any departure from the plans. This provision covers departures from the plans by the client/customer, and also departures from the plans by any individual or entity with whom the client/customer shares these plans. The client/customer acknowledges that the plans were prepared assuming that certain materials would be available, and the client/customer acknowledges that the client/customer's departure from the materials may or may not be available at the time of construction. Better By Design, LLC shall not be liable to the client/customer for any costs, losses, injuries or damages caused to the client/customer by any departure from the materials contemplated when the plans were prepared. Client/customer agrees to indemnify Better By Design, LLC for any claims by any third parties for any costs, losses, injuries or damages caused by any departure from the materials contemplated when the plans were prepared. The provision covers departures from materials by the client/customer, and also departures from materials by any individual or entity with whom the client/customer shares these plans. The client/customer acknowledges that design errors are possible, and the client/customer agrees to employ a licensed, insured professional engineer/architect/contractor and/or sub-contractor to have structural integrity and compliance with federal, state and local law, rules, codes and regulations. Better By Design, LLC shall not be liable to the client/customer for any costs, losses, injuries or damages caused by design errors. Client/customer agrees to procure the licensed, insured, professional engineer/architect/contractor and/or sub-contractor and to hold Better By Design, LLC harmless in the event of design error. And client/customer agrees to indemnify Better By Design, LLC for any claims by any third parties for any costs, losses, injuries or damages caused by design error. Client/customer agrees that codes govern over drawings and dimensions govern over scale. Elevation drawings are conceptual only. Better By Design, LLC expresses no guarantee and assumes no liability for any differences between the drawings and the actual appearance of the structure when constructed. Customer/client should verify topographic and subsurface conditions and adapt foundation plans accordingly. Bidders should verify materials, requirements, and availability and report any discrepancies to the customer/client. The purchase of plans from Better By Design, LLC or their agents constitutes a client/customer status and grants a license to the client/customer to build one structure conceptualized by the plan. Changes and modifications to the original drawings (if the changes are not needed to be shown on the drawing) are permitted, however, full rights and title to the original plan and any derivative work of same is retained by Better By Design, LLC. No plans produced by Better By Design, LLC may be reproduced by the client/customer. His agents or design, in any form without the express written consent of Better By Design, LLC. And in any event, Better By Design, LLC shall not be liable to the client/customer for any costs, losses, injuries or damages caused by any departure from the materials contemplated when the plans were prepared. Better By Design, LLC shall not be liable to the client/customer for any costs, losses, injuries or damages caused by any departure from the materials contemplated when the plans were prepared. Better By Design, LLC shall not be liable to the client/customer for any costs, losses, injuries or damages caused by any departure from the materials contemplated when the plans were prepared. All parties acknowledge and agree that terms and conditions herein shall be construed according to the law of Indiana.
